

**You didn't just feed us
you supported us**

**Thank you
for being there**

**Today we eat
and felt cared for**

**Hot food
and kind words**

**Today's soup gave us
the strength to keep going**

**We felt that
for we are not alonethere**

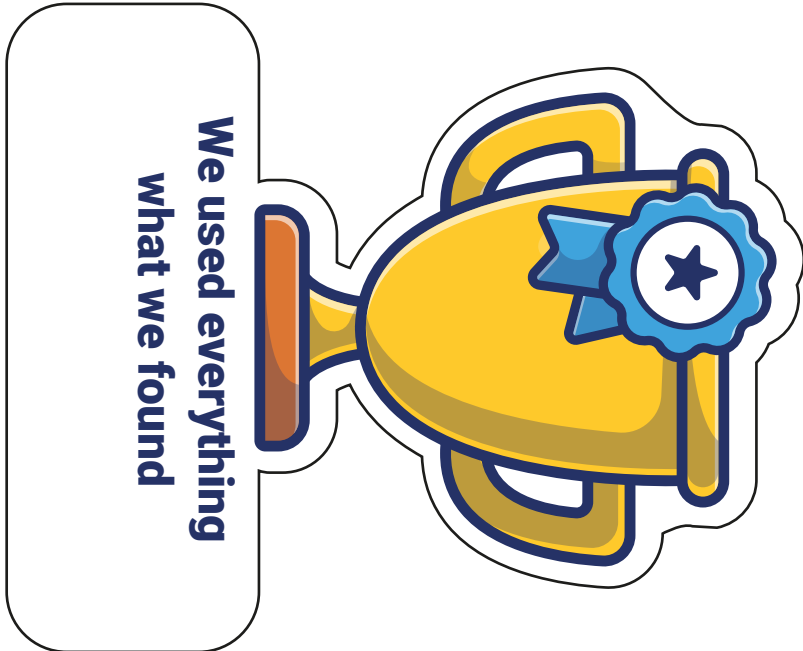

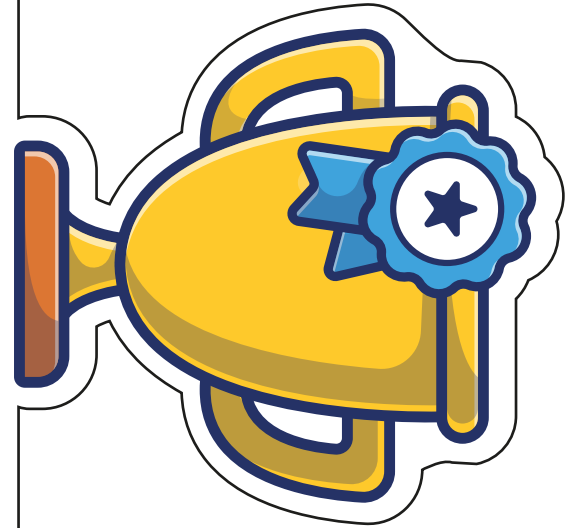

**You came
and it became warmer**

**Hot food
and kind words**

Not a single gram
was wasted!

Every ingredient
found its place

You used everything with
care and thoughtfulness

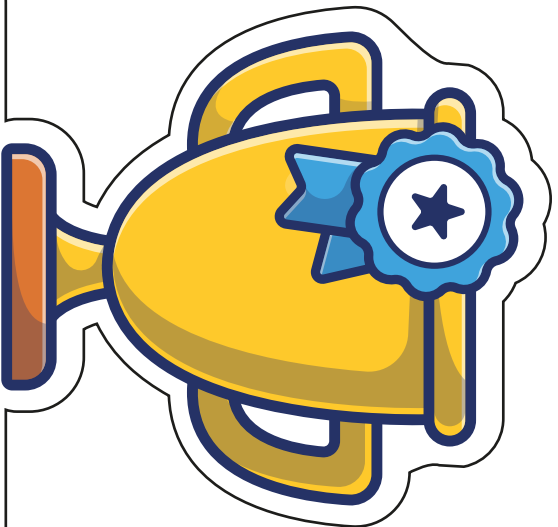

**You are an example
of a sustainable kitchen**

**Today the kitchen
is a place of solidarity**

**Minimum waste
maximum benefit**

**No bosses in the kitchen
only a shared goal**

**No bosses in the kitchen
